

Internship Program Admissions

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The SARHC Psychology Internship Program adheres to all APPIC policies, guidelines and procedures and we participate in the APPIC Internship Matching Program. Applications are accepted from doctoral candidates from accredited programs in clinical, counseling, and combined, preferably APA approved, but not necessary. Experience with community mental health is recommended.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	N	<u>Y</u>	Amount: 500
Total Direct Contact Assessment Hours	N	<u>Y</u>	Amount: 20

Describe any other required minimum criteria used to screen applicants:

All applications will be thoroughly reviewed and seriously considered. Applicants who possess experience with rural mental health settings are strongly encouraged to apply.
